Re: Public Facilities Project Concept and Referendum Resolution

---

### **1. OVERVIEW**

Following up on the board's discussion on May 28, Brent Green from Creech and Associates will present an updated conceptual design of Phase I and II of the public facilities project, and Andy Aldridge from Edifice, Inc. will present updated preliminary pricing. We will present a summary of the pricing information for the board's deliberation, and a timeline for the GO Bond referendum process.

### **2. RELATED TOWN GOALS**

Strategic Plan: Operations, Tactical Priority 2. Capital and maintenance needs.  
Core values: Citizens entrust town government with the stewardship of public funds, so government will provide high quality services at a reasonable cost.  
Constituents: All Davidson residents.

### **3. OPTIONS/PROS & CONS**

### **4. FYI or RECOMMENDED ACTION**

Recommended action is approval of the conceptual design and the three bond referendum resolutions. Appropriate motion is included in the presentation.

### **5. NEXT STEPS**

Move forward with the GO Bond referendum process.
